ABOUT MYSELF

Although a single piece of text can't truly explain all my quirks and madness however, I will write a few that come to mind. Firstly, I enjoy going on adventurous walks while listening to my music. I also have a passion for travelling to new exciting places from exploring towns to different countries to. In my spare time I enjoy relaxing with a nice Hazelnut Latte while catching up with my friends. Lastly I appreciate winding down with a good puzzle, from Sudoku's to a good murder mystery TV show or Film. I hope gives you an idea of the person I may be.
